

LED Compatible Tube Light (economic edition)-(120LM/W)

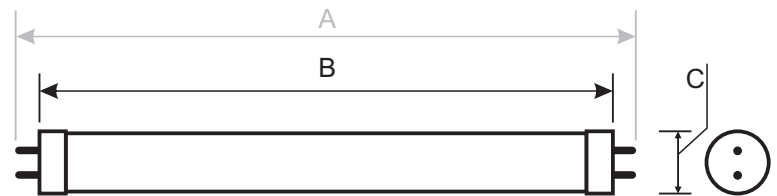

- DLC, ETL, and RoHS listed
- Adopt new patented nano materials, better to resist high temperature
- With wide beam angle and uniform light, without dark spot
- Full nano PC design, safer and lighter
- Compatible with North America standard electronic ballast design, without modification of the bracket cables
- Saving installation costs, compatible with more than 95% electronic ballasts of US market
- LM 80 light source, low luminous decay, long life, 5 years warranty
